### Who is a Refugee?

A **refugee** is a person forced to flee his or her country and is unable to return due to persecution based on religion, race, nationality, political opinion or membership in a particular social group. Most refugees are women and children. There are **20,000,000** refugees in the world.

### Refugee Resettlement in Utah

- Utah resettles about **1,150** refugees every year; this year the majority will be coming from Burma, Iraq, Somalia and Congo, as well as some from Syria.
- **60,000** refugees from more than 20 countries currently live in Utah.
- **5,000–10,000** continue to need assistance of some kind, especially in job upgrades.
